

Belk Distribution Center

120 Belk Court | Blythewood, SC 29016

Belk, Inc., one of the nation's largest privately owned mainline department store companies, sought the expertise of Childress Klein to develop a 264,000 SF state-of-the-art distribution center to consolidate its brick and mortar store fulfillment operations. This facility was the culmination of a 900,000 SF, six building, multi-state distribution center development program for Belk.

In addition to developing the project, for more than twenty years Childress Klein has provided property management services placing a premium on both preventive and predictive maintenance for the entire building.
